

**Construction Advancement Foundation**

# **Construction Site Safety**

**Developed under Susan Harwood Grant # SH-29618-16-60-F-18**

*This Material was produced under grant number SH-29618-16-60-F-18 from the Occupational Safety and Health Administration, U.S. Department of Labor. It does not necessarily reflect the views or policies of the U.S. Department of Labor, nor does it mention of trade names, commercial products, or organizations imply endorsement by the U.S. Government.*

**These classes are now \$150.00 each**

The eight required classes are scheduled with a run time of eight hours. These classes can be taken at any time. At the end of each class, the student must pass a written test and will receive a certificate. When all of the classes have been taken, the student will be given a Certificate of Completion. All of these certificates are recognized by Construction Advancement Foundation, Northwest Indiana Contractors Association, IN Safe – Indiana’s Workers Safety Initiative, and Northwest Indiana Business Roundtable.

Below is the class schedule.
