Construction Site Safety

COVID-19 Policy:

Trainees will be expected to wear cloth face coverings to reduce the chance of spreading the virus to other participants. We will also be following social distancing practices in accordance with OSHA & the CDC guidelines. In addition, please don't come to the class if you have a fever or other symptoms of COVID-19.

These classes are now FREE

The nine required classes are scheduled with a run time of eight hours. These classes can be taken at any time. At the end of each class, the student must pass a written test and will receive a certificate. When all of the classes have been taken, the student will be given a Certificate of Completion. All of these certificates are recognized by Construction Advancement Foundation, Northwest Indiana Contractors Association, IN Safe – Indiana's Workers Safety Initiative, and Northwest Indiana Business Roundtable.
