

Construction Advancement Foundation

Construction Site Safety

These classes are now \$100 EACH

The nine required classes are scheduled with a run time of eight hours. These classes can be taken at any time. At the end of each class, the student must pass a written test and will receive a certificate. When all of the classes have been taken, the student will be given a Certificate of Completion. All of these certificates are recognized by Construction Advancement Foundation, Northwest Indiana Contractors Association, IN Safe – Indiana’s Workers Safety Initiative, and Northwest Indiana Business Roundtable.

Below is the class schedule.

October 14, 2021	Safety Administration for Construction
October 21, 2021	Risk Assessment and Accident Investigation
November 4, 2021	Fall Protection Training
January 6, 2022	Trenching and Excavating OSHA Subpart P
